Randy, Have the best summer possible. Give enjoying yourself as much as having you in homeroom. The best of luck always.

Love ya,
Betty

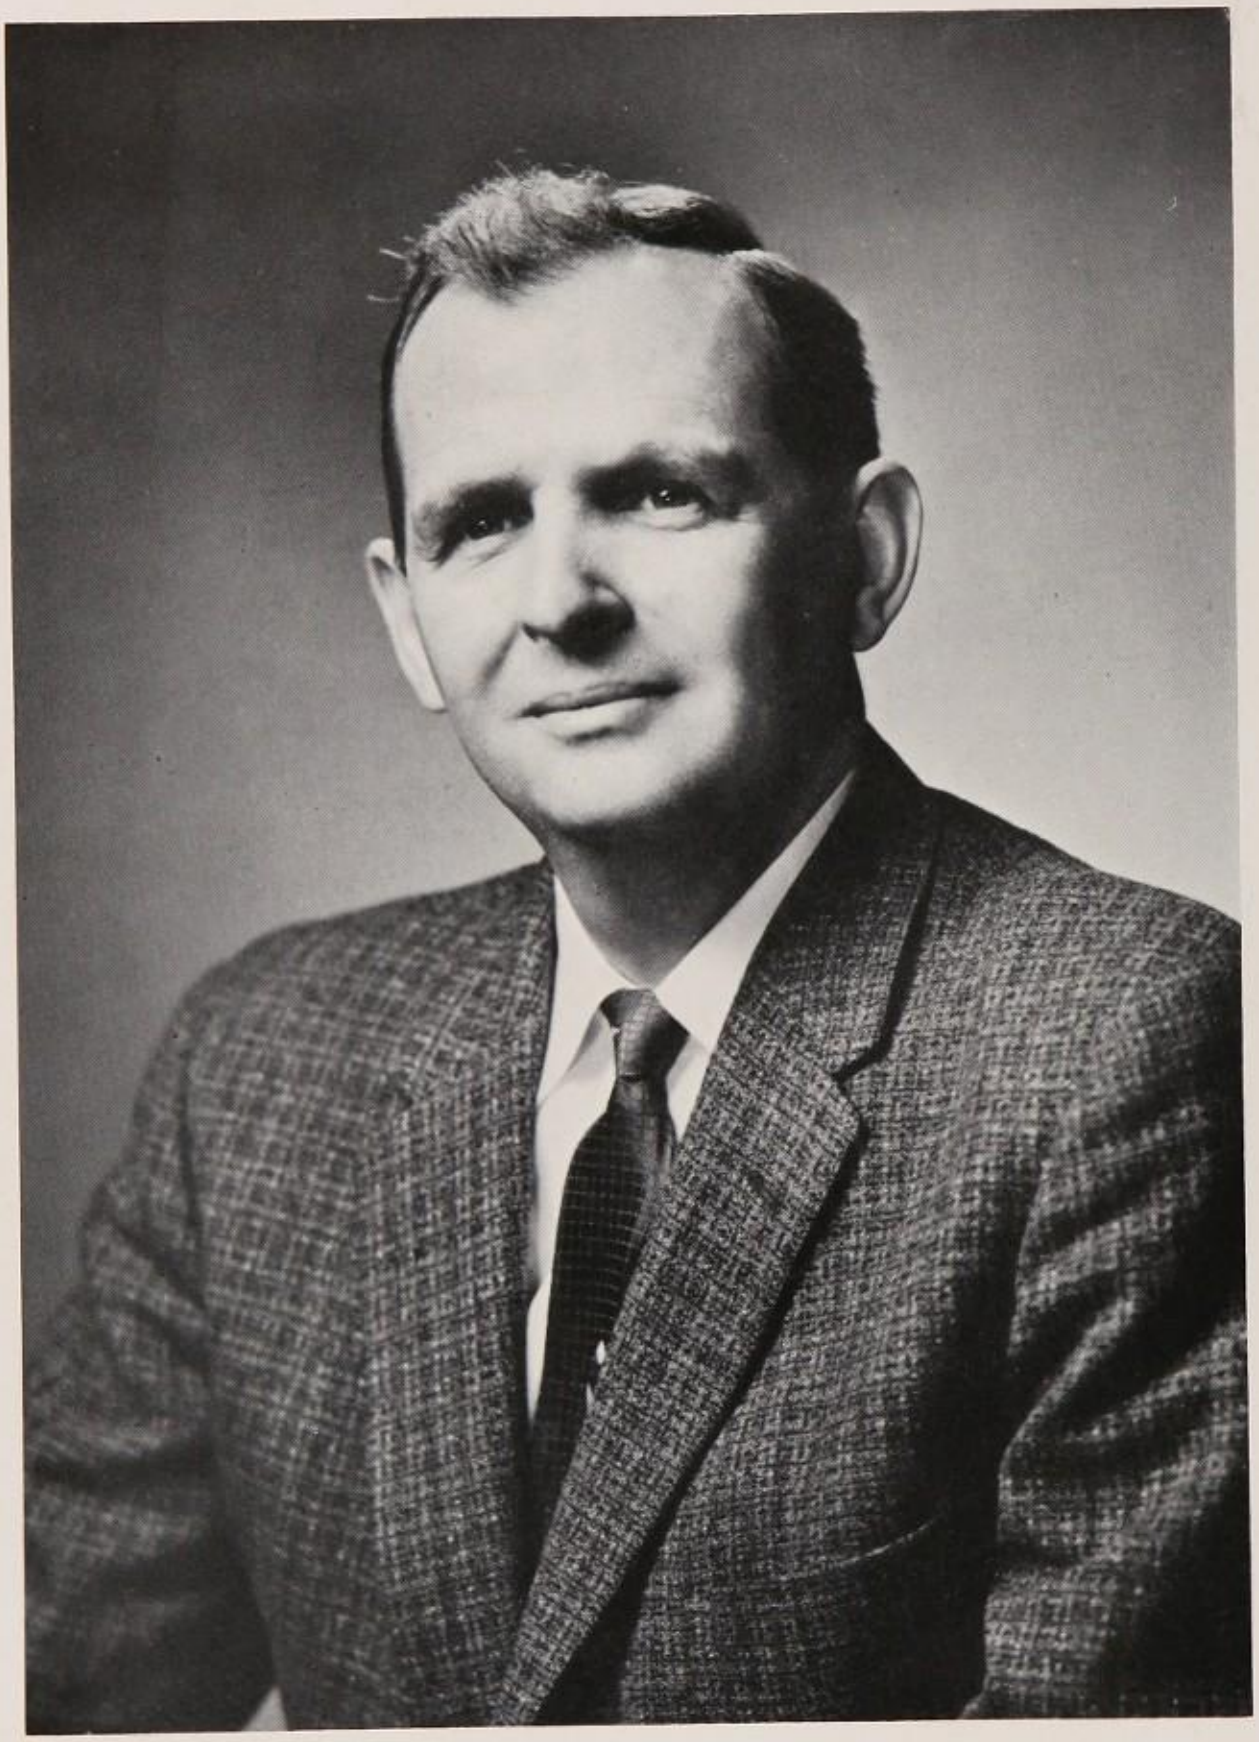
Dedication



J. Watson Holyfield

For his ever-friendly smile, his easy-going manner, his understanding of youth, The Senior Class of 1958 dedicates this Latipac to J. Watson Holyfield, more a father to us than a principal.

Randy, I have enjoyed working & visiting with you this. I hope I have helped you. I seriously tried I hope that you will get plenty of rest, stop smoking and be ready to work next year

Faculty and Administration

Left to right: Mr. Holliday, Mr. Holyfield, Mr. Butler, Mrs. Sandling, Mrs. Green, and Mrs. Stephenson.

Joseph Q. Holliday is the principal of The Needham B. Broughton Senior High School. Also on the administrative staff are J. Watson Holyfield, assistant principal; Mrs. Lillian B. Sandling, Dean of Girls; and Ronald C. Butler, Dean of Boys.

Needham Broughton is the only senior high school for white students in Raleigh. Jesse O. Sanderson is superintendent of the Raleigh Public Schools.

At present a new gymnasium which will seat more than 3,500 spectators, and a new cafeteria which will accommodate 700 persons are under construction.

These new buildings should be completed for the 1958-59 school year. Plans have been made to remove the Milky Way, better known to the students as "Pats," in order to build a parking lot for school use.

Further plans are being made to construct the administrative offices for the Raleigh School System on the lawn to the extreme right of the high school. With these new additions, the public school system will better be able to serve students of Raleigh.

Take Me to Your Leaders

SENIOR CLASS

With fond memories and great pride, we the class of 1958 leave our beloved school. The constant guidance, understanding, and encouragement which we received from our guiding lights, Mrs. Nell Kahdy, Mr. Jim Finch, and Mr. Frank Briley will be ever present in the memories of our five meaningful years at Broughton.

Under the capable leadership of our officers, President Henry Newton, Vice-President Grady Ferrell, Secretary Connie Pinyoun, Treasurer Betsy Dupree, and Sgt.-at-Arms Jimmy Yates, we have attained goals never before thought possible.

To our parents and faculty, whose untiring efforts and patience has strengthened us to venture into the new fields of life, we owe our gratitude.

To those who remain at Broughton, we express our deep desire for them to work to insure the high ideals imbedded at Broughton.

I cleaned up Saturday mornings.

Junior Class Officers

Johnny Wardlaw, Bobby Soden, Mac Goodwin, Kay Cheves, Stuart Austin, Miss Cogdell.

MAC GOODWIN ..... *President*
JOHNNY WARDLAW ..... *Vice-President*
BOBBY SODEN ..... *Sergeant-at-Arms*
STUART AUSTIN ..... *Secretary*
KAY CHEVES ..... *Treasurer*

We, the class of 1959, started our Junior year by electing the following officers: President, Mac Goodwin; Vice-President, Johnny Wardlaw; Secretary, Stuart Austin; Treasurer, Kay Cheeves; and Bobby Soden, Sergeant-at-Arms. As Miss Williams had left, we elected Mrs. Cogdell to assist us as our advisor.

Soon after the school year began, a Class Council was organized consisting of the class officers and homeroom presidents. The purpose of the council is to carry the problems and different questions to the individual students in the homerooms. The council has proved its merit many times during the year.

We chose as our service project to clean and keep clean the front school campus. With money for an expense free graduation in mind, we entered the magazine campaign determined to make a large gain. We also sold drinks at school functions, and this increased the size of our treasury considerably.

We now feel that we are ready to fill the responsible position of Seniors.

Sophomore Class Officers

Max Barbour, Don Buffalo, Stuart Upchurch, Bobby Pleasant, Billy Simmons, Mr. Wilkerson.

BILLY SIMMONS ..... *President*
DON BUFFALOE ..... *Vice-President*
STUART UPCHURCH ..... *Secretary*
MAX BARBOUR ..... *Treasurer*
BOBBY PLEASANTS ..... *Sergeant-at-Arms*

Billy Simmons was elected to be president of the sophomore class in a run-off with Robert Hocutt. The other nominee was Fuller Honeycutt.

Bill is well suited for his job. He was president of his freshman class, a participant in several sports, and a member of the Hi-Y.

Don Buffaloe was elected vice-president, winning over Billy Peabody and Jim Maffitt. Stuart Upchurch, the secretary, competed with Pam Wilder and Becky Barnes. Max Barbour, treasurer, won over Hope Ruark and Nan Dupree. Bobby Pleasants became sergeant-at-arms when he defeated Mac Boxley and Fred Smith.

Mr. Wilkinson was chosen by us to be our advisor. We took as our project a part in the clean up campaign. We sold magazine subscriptions to make money. We used a Hawaiian theme for our dance. 579 students registered in our class on the first day of school.

Your Student Council is a very proud organization. You, the students, through your intense, consistent co-operation have eliminated the need for the Council's prodding, forcing, or reprimanding. You have accepted the challenge of the high standard of co-operation which has been set in years past, and you have borne it with a fierce enthusiasm unequalled by any student body which this school has ever boasted. We hope that we, the members of *your* Student Council have done a job sufficient to merit your respect and pride . . . we *know* that you have.

By sponsoring various projects throughout the year 1957-1958, The National Honor Society endeavored to exemplify its four major characteristics—scholarship, leadership, character, and service. Study halls during lunch periods were conducted throughout the year under the auspices of the Honor Society members. Members gave help to other students who needed it in various subjects. A scholarship committee headed by Bellamy Hamilton with the assistance of several juniors and seniors compiled a collection of material on all available scholarships, to be used by anyone interested. It is to be revised annually in order that it will be up-to-date. Aptitude tests were also graded by Honor Society members.

The selection of new members was in accordance with preceding years. Three per cent of the junior class and seven per cent of the senior class may be inducted after they have been voted on by their classmates and Honor Society members and discussed by a board comprised of Honor Society members and faculty members.

A bright, shiny nominations box was the product of much sanding and painting by the 1957-1958 Service Club. The student body placed many nominations in this box for fellow students and teachers who they felt had done service for Needham Broughton alone and beyond the call of duty. After each name was carefully discussed, a unanimous vote from the present members was necessary for a new member's induction. In the fall induction fifteen worthy seniors were taken into the club. After school following the induction, a tea was held in the student lounge in honor of the new members.

The Service Club decided to buy and decorate a Christmas tree for their winter project. This tree adorned with ornaments (and even snow!) was placed in the front hall for all the students and faculty to enjoy.

For the spring induction the members worked hard to build, paint, and "sparkle" a new Service Club letter. Three deserving teachers, thirteen seniors and eight juniors walked on stage as they saw their names appear on the cards. A tea was held afterwards at Sylvia Nash's for the new members.

For the spring project the Club decided to help the Sports committee of the Student Council promote spring sports.

A successful year was brought to a close at the Service Club social in April. The graduating seniors left the club realizing that the Club was in the hands of capable and hardworking juniors.

Faculty members recognized before include Mrs. Sharp, Miss Hobgood, Mrs. Price, Miss Paschal, and Mr. Smith.

The 1957-58 Key Club of Needham Broughton High School undertook many projects to help the community around it. Sponsored by the Kiwanis Club of Raleigh, the club had a most enjoyable and satisfying year. They provided the Kiwanis Club with a most enlightening program at the first of the year; they sold drinks and programs at all the home basketball games; they helped with the local March of Dimes Drive in Raleigh. One of the most satisfying of all their projects was preparing an entire Christmas for a needy family. Among the other projects were as follows: they helped the Kiwanis Club with their sale of newspapers to send kids to the beach; they presented individual trophies to the five most valuable players in the spring sports.

However it was not all work as the boys held a dance for the entire school and their dates. Also, a most enjoyable social occurred for just the Key Club members.

A salute should go to President Grady Ferrell as well as the rest of the club for a great year.

Spring Members: Roland Noblin, Gordon Chadwick, Don Carmichael, Smedes York, Johnny Wardlaw, Simon Dixon, Swoosh Phelps, Johnny Daniel, George Lothian, Paul Burroughs.

During the 1957-1958 year the Senior Hi-Y sponsored many worthwhile projects in their effort "to create, maintain, and extend, throughout the home, school, and community high standards of Christian character." The sale of football pennants took place shortly after school began, and was a huge success. Just before Christmas the Hi-Y Telephone Directories were published, and the ensuing sale added a considerable sum to the treasury. Selling basketball pins at the beginning of the conference season helped to boost "Operation Spirit" and get the team off to a good start. By the end of February the script committee had the parts assigned for the annual production of the Hi-Y Follies, and following the "partly stag" social, all the members' efforts were centered on this project. After the performance, before a full house, we added quite a sum to our growing scholarship fund. The Hi-Y scholarship, given this year in memory of a former member, George Beeker, was presented to an outstanding member of the senior class.

Each Sunday the members of the club attended church in a group, and continually strived to promote "clean speech, clean sportsmanship, clean scholarship, and clean living."

With the help and guidance of our advisor, Farmer Smith, the Needham Broughton Senior Hi-Y enjoyed a most successful year.

Junior Hi-Y

First row: Earl Brian, John Cameron, Don Carmichael, Bobby Edgerton, Johnny Daniel, Doc Dickinson. *Second row:* Simon Dixon, Bill Duncan, Barry Frazelle, Tommy Hines, Bill Hocutt, Forney Holler. *Third row:* Ivan Jones, Al Lassiter, George Lothian, Bob Martin, David Poole, Bill Price. *Fourth row:* Bobby Soden, Stanton Tuttle, Johnny Wardlaw, Joe Webb, Tommy Worth, Smedes York.

During the year of '57-'58 the Junior Class Hi-Y has worked hard to live up to their purpose to "create, maintain and extend throughout the home, school, and community, high standards of Christian character."

The most successful money making project was selling Pom-poms. Also, this club was the backbone of the Hi-Y dance, "Cannibal Island." A turkey was sent to a needy family at Christmas time. The first Sunday in each month the Jr. Class Hi-Y attended different churches as a group. The last month the club attended the church service at Duke University.

During the work year the president and vice-president attended the Hi-Y Convention which was held in Anderson, South Carolina.

New members taken in during the spring induction were: Cliff Benson, Jimmy Brickhouse, Bud Beattie, Tyke Jenkins, Edward Pierce, Richard Randall, Larry Dean, Tom McAllister, Tift Mann, Tim Kinrey, Steve Moore, Tuller Honeycutt, Danny Williams, Dave Reynolds and Jim Maffitt.

Among the many activities of the club was our annual social held in November. It was a picnic which was held at Umstead Park.

During the 1957-1958 school year, the sophomore Hi-Y had several worthwhile projects. One service project was the watching of coats in the cloakrooms during all school dances. We had two money-raising projects. They were the selling of Christmas tree tickets for the Optimist Club and the sale of World Almanacs. One Sunday each month, the members of the club attended church as a group. The club strived by these and other ways to live up to our purpose that is to create, maintain, and extend throughout the home, school, and community, high standards of Christian character.

The Golden Masquers, Broughton's honorary dramatic society, has a twofold purpose: that of recognizing students who have excelled in one or more of the dramatic arts and that of promoting interest and participation in dramatics among Broughton Students. Students are elected to this club on the basis of their skill, service, and attitude while participating in the dramatic program.

Besides assisting with the production of *My Three Angels*, the Golden Masquers presented a one-act play, *Two Crooks and a Lady* at the Carolina Dramatics District Festival in Durham.

Members are: Blair Beasley, Nancy Jones, Andy Brown, Marilyn Maki, P. T. Rideout, Rose Jones, Amy Ballowe, Marie Overby, Ronnie Ellis, Carol Colvard, Ann Tyler, Cynthia Norman, Macon Richardson, George Batts, and Raymond James. Advisor: Mrs. Nan Price.

The members of the 1958 Choral Ensemble have this year added another chapter of musical accomplishment to the annals of the Ensemble. Under the direction of Mrs. J. P. Freeman, all choral groups from Needham Broughton—Ensemble, Mixed Chorus, Boys' Chorus, and Girls' Chorus—won superior ratings in district and state music contests. The Ensemble and Mixed Chorus combined talents to give a Christmas concert, an Easter assembly program, and a spring concert.

The Ensemble, having early in the season established itself as a successful choral group, sang for the regular meetings of most of the civic clubs of Raleigh, assisted with the fall and spring inductions of the National Honor Society, and gave two assembly programs in the fall. Selected members from the Choral Department furnished music for the State Library Convention held in Raleigh in the spring.

The Speech Club is an honorary organization for those people who have worked in speech activities. The Speech Club presented to the school an informative assembly of the various types of speech activities. The Fall and Spring Inductions were held at the S & W in which new members were recognized with certificates of membership. At each meeting there are four speeches given. A superior speaker is chosen for each month and a silver cup is presented to the person to keep until the next meeting. The speech club recognizes those who have actively worked in public speaking in the school.

Under the guidance of the Inter-Club Council, the five Broughton Y-Teen clubs meet twice each month for programs and planning participation in the many projects undertaken during the year. In the 1957-1958 year all five clubs worked together in service, worship, and fellowship.

A Mother-Daughter Tea was held in September to welcome all new and old members. Later on Roll Call Week was supported by Y-Teens giving devotionals in homerooms and collecting money for UNICEF. The week was climaxed with a dance. In November, World Fellowship Week held the spotlight as Y-Teens presented a special Thanksgiving program for the International Club. With the advent of Christmas, Y-Teens dressed dolls, went caroling, and helped with the Hanging of the Greens which is an annual custom including the choosing of the "Spirit of Christmas." In addition to these activities, the busy Y-Teens sold T. B. bangles in December. Several qualified girls were sent to State Conference in February. Then in March, Y-Teens undertook their annual Potato Chip sale. Throughout the entire year special programs were presented for the united body of Y-Teens as well as for the individual clubs.

Each girl who works willingly on such projects as these during the year as a Y-Teen is certain to attain the goals of all the Y-Teens as members of the world wide fellowship of the Young Women's Christian Association. These goals are: To grow as a person; To grow in friendship with people of all races, religions, and nationalities; To grow in the knowledge and love of God.

Future Homemakers

"TOWARD NEW HORIZONS"

The motto of Future Homemakers of America expresses the purpose of the organzation—learning to live better today in order that our lives and those of our families may be better tomorrow.

The 1957-58 members of the F.H.A. have experienced a tremendously successful year with an overflowing calendar of activities. To start off the year right, previous F.H.A.'ers encouraged new girls to join during membership week. The first important project was planning and decorating a float for the Homecoming Parade. With "Stairway to the Stars" as the theme, they took second place. Soon after this, the girls were busy as bees preparing for the Christmas Bazaar, the money making project of the year. Each girl contributed something that she had made—aprons, earrings, cookies to be sold.

The highlight of the year was the annual Good Luck Dance, planned and executed by the club. And to end a perfect year, a picnic was held at Pullen Park.

Every Wednesday afternoon a small but enthusiastic group of students meet in Mrs. Peacock's room to assemble outstanding student writing for publication in *Winged Words*. Now firmly established as a part of Broughton, this magazine provides for its students an outlet for interest and ability in writing and literary criticism. Any student can submit some of his work to the staff for consideration. Each of his selections is read anonymously before the staff, criticized, and then accepted or rejected for publication. The twofold purpose of *Winged Words* is, then, to encourage writing of high caliber among students and to instill in its staff a sensitive and fresh eye for what is of true worth in literature.

This idea of a literary magazine was conceived in the fall of 1950 by Mrs. Peacock's creative writing class. Ever since its first publication in January of 1951, the idea and its product have grown. The first edition was displayed in the library of Columbia University, and in 1952 it received national acclaim in the magazine *Know How*. Through the years interest has intensified, and the organization matured. The future of Broughton holds a place for *Winged Words*, for perhaps as vital to our youth as a good education is the accomplishment of self-expression.

The Mary P. Brantley Club of the Future Teachers of America is open to all students interested in the teaching profession. The purpose of the organization is to inform young people about the opportunities in the diverse phases of education and to encourage the development of such qualities as character, personality, and scholarship which are necessary for the successful teaching of our nation's youth.

At regular meetings during the year, the club has had several speakers with information concerning their specific educational fields. Highlights of activity included participation in the State F. T. A. Convention held in Durham and observation in some of the city schools. The Future Teachers were also in charge of American Education Week at Broughton this year. These activities and others have proved very profitable to the Future Teachers.

The Mizpah Devotional Group, which meets every morning before school, renders the service of helping the individual to become a better Christian and to be a good influence on his fellow student. Through this fellowship in the morning, a person is better prepared spiritually to confront the problems of the day.

The members of the group give the devotionals and each Thursday a guest speaker is invited. This year the group has profited greatly under the capable leadership of its officers.

The Audio Visual Club is the newest among Broughton's family of clubs. After receiving its charter in the fall of the year 1957-58, the club set to work carrying out its plans for the year. Having a car in the homecoming parade, plans for a school radio station, and plans for improving the sound systems in the auditorium and gym, are just a few of the things that the Audio Visual Club planned and carried out this year. The main purpose of the Audio Visual Club is to aid the teachers in teaching the students of this school by showing movies or providing any A.V. equipment needed to teach the student or help him better understand the subjects which he is taking. The club is also responsible for providing A.V. equipment at all dances, assemblies, and other school activities if asked to do so. While teaching the members of the club how to operate the equipment which they will use during the year, they are also taught the importance of good conduct and courtesy in the classroom. Dependability and responsibility are two more vital traits which the A.V. members are taught and which play a vital part in the success of the club. The success of the A.V. Club can be contributed to only one person, that person being its advisor, Mrs. Vera Melton. Through her relentless efforts, Mrs. Melton has made this year's Audio Visual Club one of the most outstanding clubs in the school, and a club which each one of its members can be proud of.

The purpose of the Library Club is to advance Library usage in the school and to bring the Library closer to the students.

When the club for the year 1957-58 was organized with the aid of Mrs. Melton, advisor, the following officers were elected: Judy Barbour, President; Johanna Johnson, Vice-President, Loretta Hardy, Secretary; Fannie Lou Owens, Treasurer; and Martha Hunter, Reporter. With this election the club began another serviceable year to the club.

On November 15, the club went to Durham to attend the meeting of the North Central District of the Library Club. Vicky Martin was Secretary of the district. Our club was honored by having Willis Reed elected to the district office of Reporter for the year 1957-58.

Two meetings were held each month. Mrs. Rosamond DuJardin made a visit to the library and talked to members of the Library Club and English classes. A Book Fair was held to acquaint the students and teachers with the new books.

The club members are looking forward to being host to the State convention which is to be held in Raleigh on April 11 and 12.

On April 26 the club held its social which was in the form of a picnic.

Under the combined efforts of Miss Laura Helen Paschal as advisor; Charles Lefort as Editor in Chief; Helen Neblett as Business Manager; and a very capable staff, the 1958 edition of Needham B. Broughton LATIPAC was published. The staff consisted of: Organization Editors—Bill Bradley, Marcia Dodd and Kay Fletcher; Sports Editors — Tommy Butler and Bryant Garner; Art Editors — Mary Ruth Jackson, Leonard Capatonos and Vicky Martin; Senior Editors—Kitty Powell and Tom Cannon. Junior Editors —Ramona Orta and Nancy Swicegood; Sophomore Editors—Sara Griffin; Faculty Editor—Betsy Ann Lamb; Senior Story Editors—Eleanor Quick, Judy Ray, and Sally Kesler; Feature Editors—Sally Hayes and Brenda Payne; Joke Editors—Henry Newton and Patty Cooper.

The object of this year's annual was to produce as new a yearbook as possible having a feature running throughout.

The senior class voted to dedicate the LATIPAC to Mr. Watson Holyfield; who through his unselfish efforts, has contributed greatly to the success of our high school careers.

Eight times during the year the students of Needham Broughton received their Copies of the *Hi-Times*. The monthly record of student activities was published by the members of the journalism classes, under the direction of Miss Paschal, advisor.

Editor Tom Cannon and assistant editor Patty Cooper selected the articles to be written, and the work on an issue was begun. Under feature editor Jane Brooks the material for the various news articles was assembled and written. Annette Gill's column, "Around with Annette" became a monthy feature.

Sports editor Lewis Marcus handled his department with Doc Dickenson supplying his comments on the sports world in "Doc's Dickerings."

Editorials were contributed by the creative writing classes and the editor.

Cartoons and drawings were done by Leonard Capetanos. Roger Williams and Bennie Batchelor took most of the paper's pictures.

Advertisements were solicited from Raleigh merchants by members of the class, and business manager Jimmy Yates handled the money involved.

The homeroom representatives distributed the papers to their classmates, and exchange editor Annette Gill sent copies to over one hundred schools — some as far away as California and the Canal Zone.

The staff hopes that the paper has served its purpose as a permanent record of the events of the 1957-58 year.

Williams, Elvin Wynn.

The Diversified Occupations Program is open to any student 16 years old or in the 11th and 12th grades. The Program is designed to teach and train a student in a special occupation by studying the theory in school and working at the actual job in the afternoons under a skilled person in that occupation.

A student registering for Diversified Occupations will be required to meet the same requirements for graduation as other students. Diversified Occupations only uses the student's electives and counts as three units in D. O. 1&2 (Year), and two in D. O. 3&4 (Year). Students will take two other subjects to round out a full program. A student will not be able to participate in physical education or the interest areas while in Diversified Occupations.

The schedule will be arranged so the student will have four periods in school and will be dismissed in time to get to the job about one-thirty.

While the course is designed primarily for students who are not planning to attend college, it does not mean a student cannot go to college after taking Diversified Occupations. All students registering for Diversified Occupations must have permission from the teacher and the Dean of Boys.

The co-operative program in Distributive Education instructs boys and girls for work in distributive occupations, wholesale, retail, and services. This vocational high school course combines part-time work experience with theory in classroom instruction. Upon graduation a student will be a well qualified employee in the field of distribution or qualified for further business training in college. Part of distributive education is on the job training but it is not limited to this function alone. Through the close association of school instruction and training and by careful supervision by our D.E. co-ordinator, Miss Joan Wyman, every effort is made to discover and to develope a student's personal qualities in such a way that his employer and himself will benefit from this course.

Students who qualify to participate in D.E. classes must be 16 years of age or over, a junior or senior. If you are a junior taking D.E. you will earn two credits and have only one period of D.E. a day. A senior gets three credits but they have D.E. two periods a day if they did not participate in the course in their junior year.

Miss Joan Wyman is the Distributive Education Co-ordinator.

In the Fall of 1957 the Monogram Club was reorganized under the direction of our advisor, Coach Clyde Walker. A new constitution was drawn up and accepted by the club. Under the new constitution, earning a varsity letter made a boy eligible for the organization. New members were then selected from those eligible. The club held planned meetings for the first time, and plans were made to make the club a functional one, rather than an honorary one.

The annual Christmas project, that of feeding fifty needy families, was the most successful in recent years. The student body contributed cans of food, and a collection was taken at the end of the lunch lines. This money was used to buy perishables and other supplies not provided by the canned food collection.

Each home basketball game was well staffed by competent ushers provided by the club. Their service was also extended to the annual student-faculty game and the pep rallies.

At the end of the year the club presented a trophy to the outstanding senior athlete.

Alma Mater, we salute thee,
Bounteous giver hear our praise
For within thy walls we've garnered
Gifts enriching all our days;
Opporunity for friendship,
Guidance in our quest for truth
Faith through all our grave endeavor
Understanding love of youth.
These our gifts, O Alma Mater,
We shall cherish through the days,
Striving still through high endeavor
Thus to render thee our praise.

Football Season

Cap supporters can look back over the 1957 football season with little regret—eight wins in ten games is nothing to sneeze at. Everyone knew that there was a lot of work to be done if the team was to come near the previous year's record of 7 wins against 2 defeats. A lot of work was done; practices were held twice a day, six days a week under a broiling August sun. After three weeks of sweat, bruises and banged up elbows the 1957 edition of the Raleigh Caps was ready for battle.

A lot of attention was given toward rebuilding the backfield, a backfield which lost such stars as Ferg Norton, the Wilson boys and Jimmy Graham. Although most of the experienced linemen returned, much time was spent preparing them for the coming season also.

The season began with a 14-13 victory over a strong Greensboro team and ended with a 9-0 victory over Rocky Mount. Although there were two very disappointing defeats between, we can all be proud of our boys for their outstanding efforts.

The starting lineup consisted of Henry Newton and Allen Millar, ends; tackles Bub Pearson and Steve White; Jerry Cordell and Bob Baird at the guard slots; Reggie Brown filled the center's shoes; Grady Ferrell handled the quarterbacking chores with Freddy Johnson and Johnny Wardlaw at the halves; the fullback slot was manned by big Roy Stephenson. ward wall which was outstanding most of the season was capably backed up by "Uncle" Jim Byrd, "Granddaddy" Bobby Howell, "Ratnose" Caviness, "Daddy" Richard Garner.

Reserves playing leading Caps' attack were Smedes York, Joe Webb, Gordon Chadwick, Freddy Smith, Simon Dixon, Dave White, Joe Mangrum and David Poole.

Several of the Caps received recognition for their outstanding play.

Co-Captain Steve White, along with All-State end Henry Newton, were chosen to play in the annual East-West game in August. After playing in the North-South Shrine Bowl, Henry was selected to an All-American team.

All our boys represented Raleigh and Broughton well and made each student proud to be associated with such a fine group.

RALEIGH 14—GREENSBORO 13

The Raleigh Caps set themselves up as prime targets for every AAA football foe in the East by shooting down the West's top gun, Greensboro. The Cap win marked the first time a decision has been reached in three meetings of the two teams. Although the margin of victory was small and Raleigh's first-half performance disappointing, Coach Clyde Walker was as pleased is if he had won a State Championship.

The Caps, with Grady Ferrell at the helm, rallied in the second period when fullback Roy Stephenson raced thirty-five yards up the middle for a score. Halfback Freddy Johnson booted the point to cut the Greensboro lead to 13-7. The big blow came in the third period when Johnson went over from the five and kicked the point after touchdown to put Raleigh ahead. Steve White, Henry Newton and Stephenson lead the Raleigh defensive that stopped the Greensboro rampage in the second half.

RALEIGH 35—KINSTON 6

Stung by an early Kinston touchdown, Raleigh quickly made amends and spent the rest of the game on the march. Never once being forced to punt, the Caps rolled to a 35-6 win for their second straight.

The outmanned Red Devils recovered a fumble on the first Cap play from scrimmage. Taking over on the Raleigh 20, they moved quickly for a score. From then on, it was all Raleigh. The Caps scored after the kick-off and went on to pile up a 21-6 advantage at half-time. Right halfback Johnny Wardlaw sprinted for three touchdowns, on the same play in each case. He went 13 yards for both the first and second and 51 for his third. Fred Johnson scored from the 2 and Stephenson barged over from the 1 foot line for the other two Cap scores. Johnson booted two extra points and Mickey Caviness three.

RALEIGH 6—WILSON 25

The Raleigh Caps got their first taste of Eastern AAA Conference medicine this game—it was bitter. A team of known strength, the Wilson Cyclones, jostled the Caps around Devereux Meadow with surprising ease, scoring a decisive 25 to 6 win.

Roy Stephenson's 75-yard touchdown run in the first period was the only major Raleigh break-through of

the night. It was the only score Wilson had given up this season and seemed to add fuel to the fire. The Cyclones drove 67 yards to tie the score in the second period, held the Caps to a standstill following the kick-off and then drove 45 yards to another TD. Four fumbles and an intercepted pass proved to be Raleigh's downfall. Wilson's robust line pushed the Cap forwards around all night and as a result Wilson had the ball almost all the time.

RALEIGH 14—DURHAM 12

This was by far the best game the Caps had played up to date. With two thrilling long runs by halfback Fred Johnson and fullback Roy Stephenson, the Caps won the one big game on the 1957 AAA Conference schedule. The victory over the favored and previously unbeaten Bulldogs kept the once-beaten Raleigh team in contention for a loop championship. Johnson, who fumbled the first punt on Raleigh's 1 yard line giving Durham their first touchdown, stunned the Bulldogs moments later with a 95 yard run to the Bulldogs goal line. Mickey Caviness kicked the point to give the Caps the lead. The Caps fumbled again, this time on their own 5 yard line. Durham scored two plays later.

Again, bringing the thousands of fans to their feet, Stephenson broke straight through the middle of the line and raced 80 yards for Raleigh's second TD, untouched. Again Mickey the "toe" booted the point and the scoring was over. The Raleigh defense, which had been everything but adequate against Wilson the previous week, rose up to stop Durham's fancy running backs at every turn.

Outstanding on defense were end Henry Newton, tackle Steve White and linebackers Fred Smith and Reggie Brown.

RALEIGH 20—WILMINGTON 14

Raleigh ground out two first-half touchdowns and then survived a last-half passing attack to beat the Wildcats, at Devereux Meadow. Fullback Roy Stephenson, running behind a big powerful line, led the Caps' opening quarter offensive. The Raleigh forwards just wedged out Wilmington's lighter linemen and the 190 pound Stephenson charged through for consistent yardage. Quarterback Grady Ferrell scored the first touchdown on a lunge from the 2 and Stephenson got the second on a 9 yard trip through left tackle. A 31 yard punt return by Ivan Jones set up the first touchdown. Late in the third quarter Freddy "Burr" Johnson took a punt on the Raleigh 37, he sprinted toward the right side line and behind vicious blocking ran all the way to the Wilmington 8. Two plays later Johnny Wardlaw ran straight ahead over right tackle to score from the 5.

The Wildcats rode the strong right arm of quarterback Roman Gabriel to a pair of last half scores and stayed in contention until the final minutes.

RALEIGH 21—GOLDSBORO 14

Facing almost certain defeat, Raleigh's highly favored Caps turned a couple of Goldsboro's punting miscues into touchdowns the last five minutes to defeat the Earthquakes 21-14 in an exciting Eastern Class AAA Conference game.

Trailing 14 to 7 in the last half of the final period the Caps' Reggie Brown speared a blocked punt and raced 49 yards for the tying TD. Goldsboro was unable to gain following the kickoff and again went back to punt on fourth down. After two plays from scrimmage Freddy Johnson took a pitch-out from Grady Ferrell and swung around right end for the winning touchdown. The three lost fumbles and a short kick kept the Raleigh fans supplied with nail-biting tension; however the Caps showed championship material by overcoming their deficit by charging on to victory!

RALEIGH 34—BURLINGTON 7

Raleigh dominated play from start to finish and swamped Burlington 34-7 for its easiest win of the year. The Caps bit off yardage in large hunks all evening while holding the Burlington attack to a virtual standstill. Raleigh made 269 yards to a net 14 for Burlington.

Grady Ferrell scored three of the five Cap touchdowns, getting all three on sneaks from the 1. Roy Stephenson and Dave White accounted for the other two scores. Burlington fans got their lone chance to cheer when Bobby Talley took Caviness' kick on his 12, faked a handoff and dashed 88 yards to a touchdown. The Bulldogs never came close after this.

Besides the TD scores, David Poole played an outstanding game on both offense and defense. Other defensive stars were Henry Newton, Reggie Brown and Johnny Wardlaw.

RALEIGH 20—WINSTON-SALEM REYNOLDS 7

Shaking off the flu-bug, the "Sweet Cappers" celebrated Homecoming with a 20 to 7 victory over Reynolds High. Three fumbles made by Reynolds and recovered by the Caps proved to be the determining factors for the sixth victory of the season.

Raleigh's life-savers included two homeruns and only one sustained drive. In the second period, Bobby Howell made a spectacular 80 yard gallop with a recovered fumble. Halfback Johnny Wardlaw topped Bobby's run by picking up the third quarter kick-off at the last minute and prancing 95 yards for the Caps' second full bagger. Fullback Roy Stephenson got Raleigh moving in the final period. Good runs by Roy and a 15 yard penalty set up a one yard scoring dive by quarterback Grady Ferrell. This win appealed to the fans and made our Homecoming perfect.

RALEIGH 7—FAYETTEVILLE 13

Fayetteville rose up like a ghost from the past to spill Raleigh 13 to 7. The loss eliminated the Caps from Eastern Conference title race. A mere handful of fans watched the climactic battle played on a muddy field in a drizzling rain.

The Bulldogs moved surprisingly well against the bigger Caps and they outscrapped the Raleigh boys all during the game. The Cap attack was held in check

by the well drilled Bulldogs until the final minutes of the game when Bob Baird stole the ball away from a Fayetteville back and ran to the Bulldog 33. Johnny Wardlaw and David Poole got the ball to the 8 yard line. Losing on downs, Raleigh regained possession by recovering a fumble on the 4. It took four downs to go over for the Caps' only score.

RALEIGH 9—ROCKY MOUNT 0

Raleigh turned two breaks into scores to beat Rocky Mount in a drab defensive struggle. The Caps, winding up the season with eight wins against two defeats, cashed in after Henry Newton blocked a punt in the second quarter for our touchdown. Quarterback Grady Ferrell scored the touchdown on a sneak from a foot out after the blocked punt had given us possession on the Blackbird 5. After recovering a fumble at the Rocky Mount 13, the Caps scored three more points as tackle Mickey Caviness booted a field goal. It was clearly a team effort and one of the best defensive games we played all season. End Henry Newton was a standout on defense; having a lot of help from tackle Steve White, halfback Fred Johnson and halfback Johnny Wardlaw.

Basketball

CENTERS: Jim Yates, Allen Millar, Smedes York.

The debut of the 57-58 edition of the Raleigh High Basketball team was made at Burlington with the Caps coming out on top by a 69-49 margin. After this win, the Caps, short on experience ran into a little trouble winning only three of the next nine games. Towards the beginning of the Eastern Conference race, Coach Carrol King's cagers began to catch fire and won nine of the remaining ten games.

The starting five for the Caps was composed completely of seniors. Jimmy Yates and Billy Hubbard manned the forward positions; Allen Millar filled the center slot, and Tommy Butler and Bryant Garner handled the back court duties. Smedes York developed fast and became our sixth man or our No. 1 reserve. These boys were capably backed up by John Soden, N. R. Stell, Bobby Edgerton, Bobby Soden, Forney Hollar, Barry Benson, Joe Webb, Scott Bowers, and Bobby Mayton.

The Caps managed to compile the highest scoring average of any team in the State but their inability to be consistent hurt them considerably. Short on talent, but with plenty of determination, our boys scrapped their way to a tie for second place in the Eastern Conference.

The two crowning achievements of the Caps were an upset 56-54 victory over the Wildcats from Wilmington in a game played in the Cow Palace; and a 70-62 victory over favored High Point in the first round of the State AAA Tournament in Greensboro. Raleigh wound up in fourth place in the State behind Wilmington, Durham and Greensboro.

Several boys received honors because of their play for the season. Billy Hubbard was selected to the All-State team and participated in the Shrine All-Star game. He was also selected to First Team—All Conference. Jimmy Yates placed on the Second Team—All Conference.

This year's season was a good one and one we will always remember for it was our last. Raleigh, Broughton and all of the student body can be proud of Coach King, Coach Brantley, the Managers, Billy Hare, Tom Worth, Tom Hester and all the players for they represented us exceptionally well on and off the court.

RALEIGH 68—BURLINGTON 49

Led by guard, Bryant Garner, and forward, Jimmy Yates, the Caps breezed to a victory. Raleigh led the entire distance, holding a 37-22 lead at the half. From there they coasted the rest of the game. In his first starting game, Yates led the scoring with 22 points.

First row, left to right: Jim Yates, Billy Hubbard, Allen Millar, Tommy Butler, Bryant Garner. *Second row:* John Soden, Smedes York, Bob Soden, Bobby Edgerton, N. R. Stell. *Third row:* Forney Hollar, Bobby Mayton, Joe Webb, Scott Bowers, Barry Benson.

Aside from his ball-handling and defensive play, Garner chipped in 13.

The only bright spot in the Burlington lineup was center Benny Bowes, who led all scorers with 25 points. The Caps showed an amazing amount of poise considering the fact that this was the first starting for several of the boys.

RALEIGH 40—GREENSBORO 56

A capacity crowd at the Needham Broughton gym saw a powerful Whirlie team hand the Caps their first defeat of the year. Coach King's cool shooting cagers were never able to score consistenly enough to lead. Millar and Hubbard led the Cap scoring with 13 and 11 points respectively.

Guard Dave Albaugh showed the way for Greensboro with 18 points.

RALEIGH 47—HIGH POINT 50

Raleigh outscored High Point in every quarter except the second, but a Bison rally during that period was enough for the win. Adams and Teague led the scoring for High Point with 18 points each.

The game was close all the way and as late as one minute-twenty seconds left in the final stanza, the boys from High Point enjoyed only a one point margin. Then Adams scored with a tip-shot, but Yates countered with a 20 footer to put the Caps within striking distance again. This proved, however, to be Raleigh's last gasp as the Bison ran out the clock.

Yates led the Cap scorers with 15. Coach King said that this showing against the strong High Point five gave promise for the future.

RALEIGH 72—CHARLOTTE 39

Raleigh came back strong with a trounce over a weak Central team. Coach King showed mercy throughout the second half by clearing his bench. The scoring was evenly spread among the whole team with three men in double figures. Bill Hubbard, who hit for 15 markers, during his brief stint put the Caps ahead at ten to eight late in the first period. From that point, Raleigh breezed home. Yates and junior, Smedes York, were also high for the Caps.

RALEIGH 46—HIGH POINT 53

For the second time in three games, the Caps were on the short end of the socre in a hard fought game with High Point. Bobby Teague, a lanky center, again led the Bison in scoring with 14 points.

On the bright side for the Caps was the performance of center, Al Millar who picked up 17 points and a light number of rebounds. In a second half spurt, the Caps climbed to within 5 points of the High Pointers, but it was too late. Raleigh's pair of flashy guards, Garner and Tommy Butler, led that spurt and tied for second high scoring honors.

RALEIGH 41—GREENSBORO 47

Tired from a frantic battle with High Point the previous night, Raleigh traveled to the Gate City to take on another Western Conference foe. The Caps held on for three quarters but finally wear began to show. Raleigh outshot and outrebounded the Whirlies and still lost. Once again, one stale shooting period cost the Caps a victory.

Forwards Hubbard and Yates led the scoring for Raleigh aside from controlling both backboards. After this encounter the Caps laid off for the Christmas holidays hoping to regain their confidence.

RALEIGH 63—BURLINGTON 39

On a friendly Coliseum court Coach King's determined chargers ran all over the Bulldogs from Burlington. Once again every squad member saw action. Garner, Hubbard, and Yates stood out for the Cappers as they dropped in over half of Raleigh's points.

After the game King remarked that this was our finest game to date as he hopefully looked forward to the Eastern Conference race.

RALEIGH 60—A.C.C. RESERVES 68

In their final game before the Triple A season, Raleigh absorbed a 68-60 defeat from a powerful A.C.C. Jayvees. The three front linemen kept the Caps in the game, but the college boys were just too strong.

RALEIGH 59—WILMINGTON 66

An unstoppable Roman Gabriel plus a lousy second quarter spelled doom for the Caps. Gabriel scored 28 points leading the Wildcats to their seventh win against only one loss. Garner, Millar, and Hubbard again paced the Raleigh attack. Raleigh outscored the Wildcats in every quarter but one; the faithful second, in which the caps made only 2 of 13 shots, for a total of four as compared with Wilmington's 16.

With only three minutes and 30 seconds left in the game, the Caps were down by four; but a successful freeze and costly fouling by the Kingmen eliminated any hopes for victory.

RALEIGH 54—DURHAM 63

As usual one bad period cost the Caps a win against a strong opponent. The Caps gave 100 per cent effort in a losing cause. Hustling Bryant Garner and big Smedes York scored 12 points each for the Caps. York and Allen Millar gave away five inches in height to D.H.S.'s Jim Whitfield and John Key but still outrebounding them.

The game was won at the foul line as the Bulldogs

converted numerous foul opportunities which the Caps were forced to commit because of Durham's height.

RALEIGH 66—FAYETTEVILLE ....

Raleigh racked up it's first conference win against Fayetteville in Broughton Gym. Coach King, experimenting with underclassmen, used a two-platoon system which ran the Bulldogs into the ground.

Playing little more than half the game, Billy Hubbard led the team in scoring with 24 markers, the highest total of the year. Al Millar chipped in 15.

Raleigh led most of the way and had a 38-23 lead at the half. The lone Fayetteville bid came in the fourth quarter when they cut the Raleigh lead to 5 points. At this point the first team was reinserted. Millar and Hubbard added six quick points and the Caps won going away.

RALEIGH 75—GOLDSBORO 53

Superior height and pressing defense were too much for a short Goldsboro team. 14 men entered the game after Raleigh had built up a comfortable margin. Bulky Bill Hubbard led rebounding and scoring for the second straight time. Bryant Garner and Tom Butler followed in the scoring column with 12.

RALEIGH 69—ROCKY MOUNT 43

A blistering 53 per cent shooting average from the floor was just too much for the Blackbirds. The win boosted Raleigh into a third place tie. Yates, Hubbard, Garner, and Stell were all in double figures. The Caps built up a big lead in the first period when Rocky Mount ace, Haywood Evans was held to two field goals by Raleigh guard Tommy Butler. This game answered several questions for the Caps.

RALEIGH 89—WILSON 56

The Caps romped over the hapless Cyclones in Broughton Gym in a game in which Coach King cleaned his bench once again. Slender Jimmy Yates showed the way with 18 points. Millar and Hubbard took runner-up honors with 11 each.

Walt Brown and A. W. Faris mustered half of Wilson's points with 14 each. At one time the Caps had a lineup averaging 6 ft. 2 inches, which was just too much reach for the Cyclones whose tallest man was 5 ft. eleven inches.

RALEIGH 56—WILMINGTON 54

Dead-eye Billy Hubbard dropped in the tie-breaking basket in the last two seconds to give the Caps a thrilling upset win over the Wildcats from Wilmington at the State Fair Arena. Hubbard's basket came just 23 seconds after Larry Edens dropped a jump shot which tied the game after Wilmington had been down all the way.

Hubbard's 20 points and Yate's 18 were pacemakers for the Kingmen. The win moved Raleigh into a tie for second with the Wildcats. Wilmington's "all-everything" Roman Gabriel was held to 12 points and fouled out in the crucial dying moments of the game. Jackie Bullard's long jump-shots which accounted for 22 points kept the Cats in the game, but he alone couldn't pull it out against the fired-up boys from Raleigh.

RALEIGH 55—DURHAM 61

Durham's Bulldogs smashed any hopes the Caps might have had of retaining their Eastern Conference title by dealing Raleigh a 61-55 setback at a drafty State Fair Arena. The Caps were in contention all the way; even had a lead of three points at the end of the third period. After Tommy Butler made a push shot to start the final quarter, Raleigh did not scratch again for 5 minutes.

While the Caps were concentrating on Durham's twin giants, Whitfield and Key, little Roger Penland was driving in almost untouched for easy lay-ups. He finished with 18 points to lead both teams.

Yates and Hubbard supplied most of the scoring for Raleigh; they finished with 17 and 15 respectively.

RALEIGH 91—GOLDSBORO 61

The Caps ran up the highest score of the season against Goldsboro using their height at good advantage in a spectacular average throughout the game. They took a quick lead and from there on, Goldsboro was not in the game.

The high scorer was junior, Smedes York who tallied 20. Al Millar and Jim Yates added 15 and 12 respectively. The only scoring punch the Quake's could manage was in the second quarter when Bobby O'Daniel scored 12 of his 18 points.

RALEIGH 69—FAYETTEVILLE 57

Carrol King's Raleigh Caps went about their task against Fayetteville in an efficient and business-like manner. The results were pleasing if not outstanding. Raleigh held a 17 point lead at the half and King brought his first five men out of the game while the reserves held down the fort. The Caps were shaky in the beginning but after the first five minutes had complete control of the game.

RALEIGH 62—ROCKY MOUNT 48

In a surprisingly close game for three quarters the Caps finally pulled away with a fourth period on-

MANAGERS: *Left to right:* David Reynolds, Billy Hare, Tim Kimrey, Tom Worth.

slaught to take a 14 point decision over a fired up Blackbird five.

Once again Billy Hubbard led Raleigh's scoring with 15 points followed by Garner and Yates. Haywood Evans, the leading scorer in the conference, scored 19 points to keep his team in the contest. When he went cold in the final quarter, his teams hopes went with him.

RALEIGH 94—WILSON 71

The Caps used their decisive height advantage to build up a record score in the second half after holding a thin 38-33 edge at half time.

Billy Hubbard poked in 22 points to pace the Caps while center Allen Millar and guard Tommy Butler took runner up honors. The win gave Raleigh a nine-three conference record and a share of second place in the conference.

STATE AAA TOURNAMENT
RALEIGH 70—HIGH POINT 62

In a thrilling upset victory Raleigh avenged two previous setbacks and gained the semi-final round by defeating a good High Point team. The Caps held the upper hand most of the way but not until the final quarter could they make the lead permanent.

The first break of the game came in the third quarter when star Bison forward Jimmy Adams fouled out. At this point the Caps were leading 41-39. Within three minutes, the lead had been increased to 50-42. The Caps coasted the final period and pulled away despite the efforts of High Point's other big threat Bobby Teague. Teague took scoring honors for both clubs with 32 points.

Bill Hubbard turned in one of his finest games of the year leading the team in rebounding and points. He was helped by Raleigh's three other big men Yates, Millar and York.

Coach King commented after the game that the Caps simply outscrapped the boys from High Point and their determination was not to be denied.

RALEIGH 67—DURHAM 74

Once again Durham's height and speed proved too much for the Caps. Roger Penland and John Key turned in probably their finest high school games for the Bulldogs. Penland could not miss from the free throw line where he hit 14 out of 15 and took game honors in scoring with 26 points. Key's control of the backboard was amazing.

Probably the brightest light in the play of the Caps was the performance of "Hatchet" York who tallied 19 points giving untold promise for next year. Bill Hubbard, playing his usual great game, scored 22 points to lead Caps scoring. The loss dropped the Caps from the Championship bracket.

RALEIGH 58—GREENSBORO 65

Tired and lacking their usual hustle, the Caps met defeat at the hands of a fast, scrappy Greensboro team. Greensboro led by a small margin throughout the game. Had the Caps been able to hit their usual number from the floor the story would have been quite different.

Coach King let the juniors play all of the second quarter to gain valuable experience. These boys held their own and show promise of developing into a fine team next year.

The seniors concluded this, their final game, as Raleigh gained fourth place in the state.

RALEIGH vs. WILMINGTON

The Caps completely downed the Wilmington Wildcats 68-9 in the initial meet for both teams. Raleigh swimmers captured first places in every event, and second in all but one. First places were taken by Dave Gullette in the backstroke and individual medley; Tom Cannon in the breaststroke; Mark Lynch in the 100 freestyle; Robin Thompson in the 50 freestyle; George Bensch in the 200 freestyle; and David Coxe, diving.

ECC INVITATIONAL

The Tankers successfully defended their East Carolina College Championship, barely nosing out Myers Park for the honors. It was a solid team effort by Coach Wilkerson's crew. Dave Gullette won the butterfly event, Gene Petrasy the breaststroke, and the medley relay team of Kitchen, Petrasy, Lynch, and Thompson came home first. Though winning only three events, Cap tankers finished second or third in all others to provide the winning margin. After the final event the scoreboard showed that the Raleigh team had triumphed by 2 points—81½ to 79½ for runner-up Myers Park.

RALEIGH vs. GREENSBORO

In the first home meet at Frank Thompson Pool, the Cap mermen downed Greensboro, perennial swimming power. It was the first Raleigh victory over Greensboro in five years. The final score was 57-29. Everyone on the team was fired up for this meet, and some members of the team turned in some inspired performances, as in all meets the Caps victory was one decided by a well balanced team with lots of depth. Dave Gullette won his favorite event, the backstroke and was narrowly defeated by John Burwell, the Greensboro All-American, in the individual medley. In the most exciting race of the day Mark Lynch nosed out teammate Gene Petrasy in the butterfly. Petrasy captured the breaststroke, and Allen Upchurch, the diving. The medley relay team of Kitchen, Cannon, Lynch, and Thompson triumphed again, as did the freestyle relay composed of E. P. Brinkley, Wayne Marshall, Allen Upchurch, and David Coxe.

RALEIGH vs. MYERS PARK

Two days after their Greensboro victory Raleigh won a close victory over a highly regarded Myers Park squad. The meet was nip and tuck all the way, and the Raleigh team found itself needing the medley relay for the victory. The team of Billy Kitchen, Tom Cannon, Mark Lynch and Robin Thompson turned in their best time of the season to wrap up the win. Other winners were Dave Gullette in the backstroke, and Gene Petrasy in the breaststroke and the butterfly.

SOUTHERN INTERSCHOLASTICS

A powerful Georgia Military Academy team carried off top honors and most of the first places at the tenth annual Southern meet. Raleigh was runner-up in the point score, but first among competing high schools. The Caps could manage only two first places—Gene Petrasy in the breaststroke and Dave Gullette in the backstroke. However, Raleigh swimmers took more than their share of the other places to account for their 51½ points.

MYERS PARK

In the return meet with Myers Park, Raleigh dropped a 46-40 decision. The Caps lost valuable points when divers Allen Upchurch and David Coxe were unable to make the trip. Raleigh swimmers captured 5 of the 10 first places, but were unable to get their usual share of seconds and thirds. Co-Captain Dave Gullette was high point man with first places in the backstroke and individual medley. George Bensch was the victor in the 200 freestyle, Gene Petrasy in the breaststroke; and the medley relay team of John Hill, Tom Cannon, Mark Lynch, and Robin Thompson.

GREENSBORO

The trip to Greensboro was not a pleasant one for the tankers, for the outcome of the meet was a far cry from the previous meeting of the two teams. Performing without the services of breaststroker, Tom Cannon, the Caps came out with a 43-43 tie. This was probably the poorest team performance of the year. The only bright spots were E. P. Brinkley's surprising victory in the 40 yard freestyle; also, George Bensch in the zoo, David Coxe in the diving, Petrasy in the breaststroke, and Gullette, Petrasy, Lynch, and Thompson in the medley relay.

In other meets, Raleigh downed Chapel Hill twice by substantial margins and defeated the Duke Freshmen handily. Against the Carolina Freshmen, composed of many high school All-Americans, Raleigh was defeated narrowly in the first meeting 45-40, but in the return meet the Caps were overwhelmed by a 60-26 score.

STATE MEET

To finish up the season the Raleigh Squad completely out classed the other schools to take their first State title in six years. Records fell in eight events with Raleigh mermen setting three of those—Dave Gullette in the backstroke, Gene Petrasy in the breaststroke, and the medley relay team of Billy Kitchen, Tom Cannon, Mark Lynch, and Allen Upchurch. Mark Lynch, the team's only double winner also took home the butterfly title. Cap swimmers had at least two point winners in every event, and totaled 94½ points to win going away.

B.J. Hall '57

The Senior Story

We could hardly believe that we were finally in high school as we sat dreamily in class on that first day of all our wonderful days to come. It was September 4, 1953, and our dream was complete—we were eighth graders. The halls of new wings as well as the old ones were filled with unfamiliar faces which soon became the familiar ones of our friends. Two years later, as sophomores, we found many more new faces as the three high schools, Morson, Broughton, and the Methodist Orphanage, were consolidated into one senior high school. As each page of the calendar was torn off, we all knew that we were fast approaching the peak of our high school career—our Senior Year. While we sang our farewell song to the class of '57, we beamed at the thought of what was to come with the following September. For most of us, however, it came much too rapidly.

OUR FALL

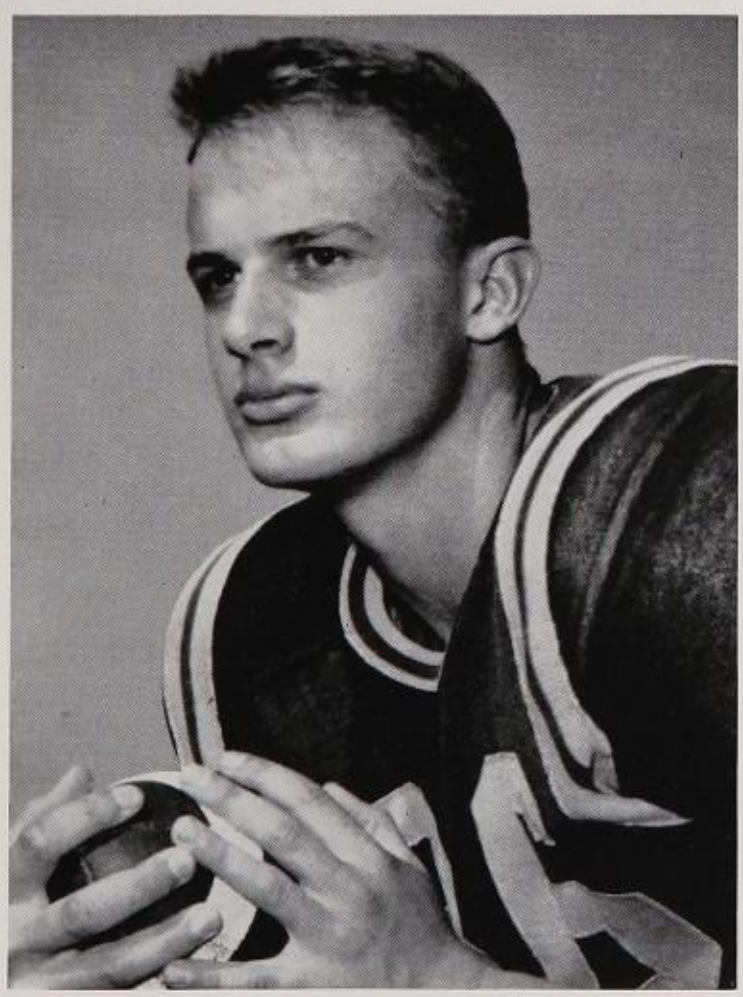
As we had done for so many years before, we began our first day of school. All of us knew too well that this was our last "first day"—we were Seniors; we were the class of '58. Proud but reluctant we went through the routine of getting

class assignments and acquainting ourselves with our teachers for the new year. As always there were many new faces and many new friends to meet as well as the old, familiar ones we had not seen in three months. All of these and other happy, sad, and unforgettable memories make complete the chapter in our lives of our Senior Year.

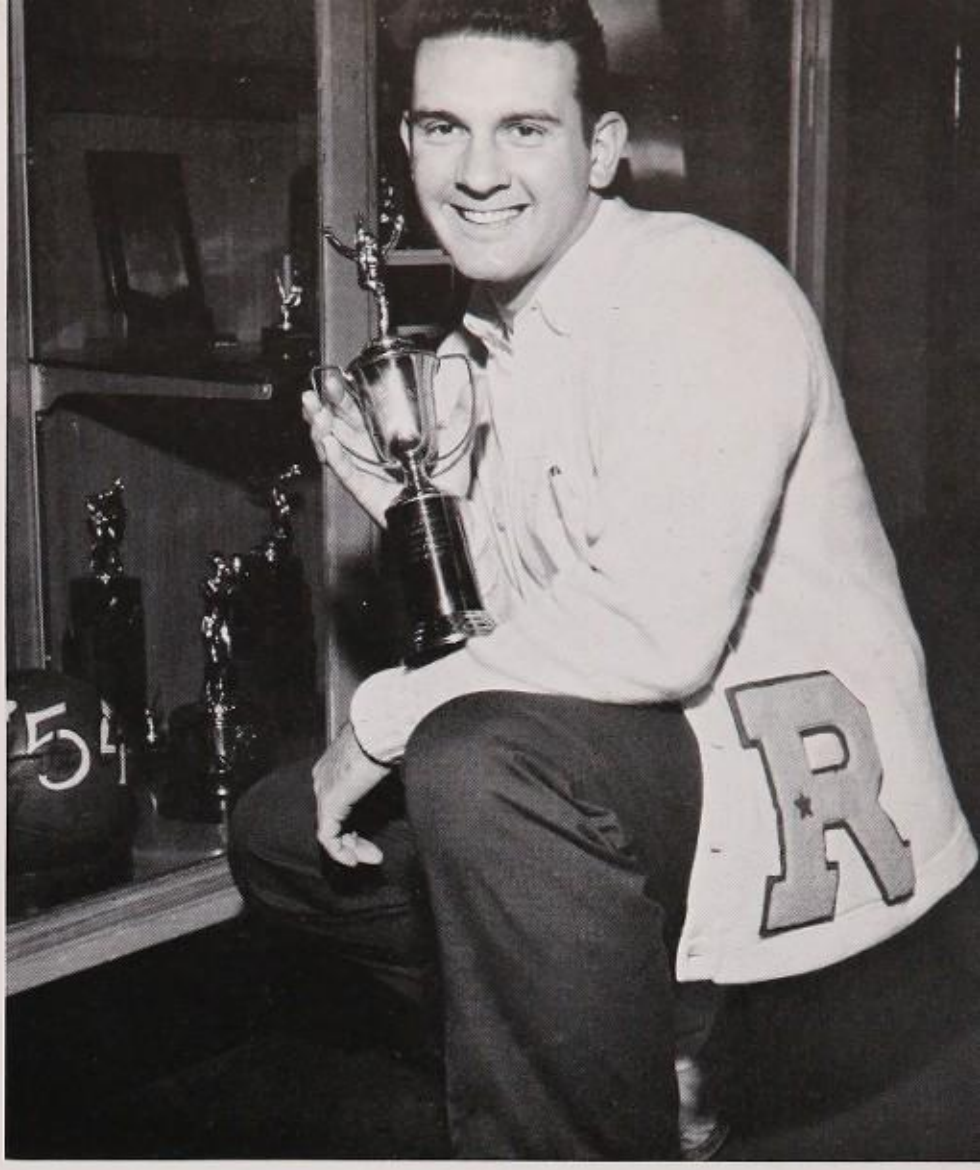
Hardly had we entered school than a most exciting event occurred for all of us—the first football game. Operation Spirit was in full force as many of us made Greensboro our destination. There we watched the Caps walk off with all the honors of the victorious. It wasn't long after this night that Devereaux Meadow was packed with practically the entire student body for the first home game. The cheerleaders and the team really got the season off to a good start with the help of screaming students who were really behind our boys in purple and gold. This year we were proud to have eight of the nine cheerleaders from our class. This group of girls did one of the best jobs of supporting Operation Spirit that has ever been done. Our hats are off to you, girls!

After many of the football games we attended open houses at White Memorial and the church of the Good Shepherd. Whether the game was a victory or a defeat, everyone was there eating, dancing and just having fun.

There are many things that we remember about football season. One of the highlights of the season was homecoming. Everyone enjoyed the big parade with the decorative floats and cars and the half time ceremony with our beautiful sponsors Bellamy Hamilton, Vicky Martin, Mary Helen Barden, Sharon Cates, and Jane Jordon.



HENRY NEWTON . . . All-American



STEVE WHITE . . . Lassitter Memorial Award 1956

The pep rallies this year were all great successes. The energetic cheerleaders along with the circus band led everyone in the pre-game warm-ups which put us in high spirits. They did not cease with the end of football season but continued throughout basketball season. Also to be recommended were the high-stepping majorettes and the Marching Hundred which provided wonderful entertainment at the games.

As football season got underway, so did the new fall and winter fashions. This year the style was crew-neck sweaters, pleated skirts for the gals and cardigan sweaters for the young gents along with ivy-league, ivy-league, ivy-league!! Some of the people who kept their wardrobe up-to-date with these fashions were Betsy Stevens, Warren Norman, Carey Dowd, Kitty Powell, Peggy Boone, Henri Fisher, Roland Noblin, and Linwood Rideout.

It was during the Fall that the Asian flu made its appearance with a 21 gun salute at Broughton. In many of the rooms only a very few desks were occupied; teachers taught half-empty classes. About one-half of the Senior class was out at one time or another with the dreaded flu. Even when the ailing students did return to school, talk about the symptons, reactions, and cures were the topic of many conversations for quite a while.

Another subject which always "holds its own" in conversation from September until May is teachers. This "gossip" is usually carried on by seniors since they seem to have the hardest teachers and courses. Mrs. Peacock leads the line with Miss Runnion, Mrs. Fonville, and Miss McDear-

man close at her heels. We complained and fussed; but if we had a choice of teachers, we would choose them again!! To put it simply, Broughton just wouldn't be Broughton at all without its teachers! Right!?

The election of officers for the senior class is always a tense and suspenseful event. This year's officers were five of the best we've ever had. Henry Newton led the class and really did a marvelous job with Grady Ferrell as his vice-president, Connie Pinyoun as secretary, Betsy Dupree, treasurer, and Jimmy Yates, sgt.-at-arms. With these people as leaders, others were chosen throughout the year to head the various committees: senior Prom chairman, Bill Hurt; graduation overall chairmen, Grady Ferrell and Bellamy Hamilton; class picnic chairmen, John Soden and Mary Beatty; baccalaureate sermon chairmen, Joel Warren and Betsy Ann Lambe; senior assembly chairmen, Winston Shearon and Freddy Johnson; commencement chairmen, Mike Wise and Carolyn Rowe.

As our Senior Service Project we decided to clean the third floor homerooms. Boy, on those Saturday mornings, with Pat Morgan, projects committee chairman, urging us on, we had the third floor sparkling like new. We even thought we did such a good job that on one of the mornings we decided to treat ourselves to the fudge in the Home Ec rooms as a reward for our efforts!

Quickly the days hurried by, soon the time of cotton candy and teddy bears arrived. We well-remembered other days when we had been dismissed from school at 12:30 to head for the fair grounds, but this year it was more special than ever before. This year would be the last time we would all be together to enjoy the thrilling rides, the dust, the side shows (?) and the foot-long hot dogs. With runny noses, tired feet, empty pocketbooks, and stomach-aches we trudged home, trying not to face the reality of school the next day. Gayle Swinson, Michael Green, Jimmy Johnson, Lewis Marcus, Carol Wood, Jane Brooks, Mary Ruth Jackson, Jim Byrd, and Betty Kay Separk among all the others in our class will long remember this spectacular day.

Now we began to sit back and think of our fall which was full of many things which we would always remember. By the end of fall we finally felt like full-fledged seniors. College Day which was headed by Michael Wise awakened us to this fact as we visited and talked with the various representatives of the colleges we considered entering.

OUR WINTER

The first big highlight of our winter was the Monogram Club Dance. Enjoying the gay decorations, which carried out the theme "Around the World," and dancing to the music were Susanna Coley, Reggie Brown, Carole Hayes, and many, many others. The club had reason to be proud that night.

All of the prospective doctors, lawyers, nurses, and teachers who attended Career Night made it an overwhelming success. Bellamy Hamilton was to be praised for her excellent job in planning it.

With Career Night also came our first basketball game which was played in Burlington. This year

Sparky the Spirit, portrayed by Leonard Capetanos, raised school enthusiasm to a great height.

Soon it was time for the Key Club dance. This year those brave souls decided to tackle the dance decorations without the help of female artists, who could have been well used. Then time rolled around for our annual Snowball Dance, which was our last dance before Christmas holidays. Santa Claus (impersonated by Mr. Blakeway), honored those present with a surprise visit. The jolly old fellow brought gifts which went to a few lucky ones, and in return received kisses from some of the girls who sat in his lap. Sally Kesler, Ann Clark, and "Peanut" Bailey all agreed that this was truly a wonderful way to end school for the first semester. After counting the days for the past few weeks in anticipation of the "vacation," everyone left school for the Christmas holidays. Many parties and dances were held, and Santa Claus really poured on the presents.

Before reading 'n 'ritin' 'n 'rithmetic time approached again, the New Year made its grand entrance with the traditional confetti, balloons, and firecrackers which were at every party. '58 really got off with a bang!! Well, "All good things must come to an end," as the old saying goes, and the holidays certainly did. Weary from the riproaring holidays, but with a lump in our throats, we entered the Broughton doors for our last stretch to home plate . . . graduation.

Hard study was the first thing on the agenda for the second semester. It was exam time! Nodoze, Coca-Cola, and coffee were life savers for the majority of the seniors through those hectic days until exams were finished. But the headaches were not yet over. Soon everyone began the notecards, outline, bibliography, and "body" which were to become a term paper. Who could ever forget all of those hours spent at the library with our noses stuck in piles and piles of books. Notecards cluttered the classrooms, lockers, and halls. Half of us lost them several times! After much sweat and worry, the crisis was over, and everyone settled back down to the regular routine.

During the next few weeks a series of the year's basketball games were played in the State Fair Arena. The students really turned out for these games. The sides of the enormous structure rang with the shouts of "Go, Caps, Go!" Go they did too! Esecially in their victory against our arch-rival Wilmington!!!!

Mascot election time soon arrived and the decision was one of the hardest we ever made. The tiny tots dressed in frilly dresses and little coats and ties thrilled us as each walked across the stage. Everyone had his own favorite. The decision was finally made; however; and quite a good one it was. Vicky Adams was chosen, and we were proud to have her as our mascot.

During the first weeks of February we made plans and looked forward to one of the biggest thrills of any year—the Queen of Hearts elections, assembly, and dance. Bill Pierson was chosen as over-all chairman with Beverly Wright and Janice Peterson in charge of the assembly program and Paul Burroughs, the dance. It was a moment filled with pride as our representatives, Mary Helen Barden, Sharon Cates, Jane Jordan, and Sandra Kautz, "floated" down the aisles to the stage. Then with a fanfare of trumpets, a misty-eyed senior

class stood in honor of Connie Pinyoun, our Maid of Honor, and our red-headed valentine—the Queen of our Hearts for 1958—Helen Neblett.

Once again election time rolled around and we had to choose the most deserving seniors for superlatives. After the final ballots were counted, we proudly announced our winners; and we feel that we really picked the best ones.

The week end of February 27-March 1, was really an eventful one for our basketball team and for the student body as well, for the annual State Basketball Tournament was held in Greensboro. Our "Sweet Cappers" played so well that we didn't even mind the sore throats and hoarse voices we proudly brought home with us.

On the Friday night of March 7, the Hi-Y boys played hosts for their big dance of the year. Through the gym doors couples entered into a "Cannibal Island." Remember the shrunken head that hung over that enormous pot at the end of the gym?

On the night of March 11, a group of excited senior journalism students boarded the train to New York to a chorus of "Goodbye," "Don't forget to write," "Call Aunt Martha," and "Bring your money back home." Seeing the sights, riding the subways, enjoying "Lil Abner" and the Rockettes were the highlights of the trip. Sunday night, March 16, this tired but happy bunch arrived back in Raleigh with memories of wonderful times in the wonderful City.

The gym was solidly packed on March 21, for everyone had turned out for a laugh a minute at the annual Student Faculty game. The girl students, coached by Ann Lambert, looked mighty good; but somehow, the faculty "girls" managed a victory. The boys' game was a real thriller! The students finally won in a third "sudden death" overtime. The half-time entertainment was a hilarious take-off on the Queen of Hearts Court, complete with a flower girl and long white dress for the queen. We really appreciated the antics of the teachers whom we know so well; the whole thing was a side-splitting affair which everyone enjoyed.

March 22 is a date to remember in 1958, for that is the glorious day when the swimming team brought home the State Championship. Many congratulations to our senior mermen: Dave Gullette, Gene Petrasy, Tom Cannon, Alan Upchurch, and Billy Kitchen; to Coach Wilkerson; and to the others for this wonderful victory.

The Hi-Y Follies is always a long awaited event in any year, and this year was no exception. Under the capable direction of Jimmy Johnson, the boys really put on a great show. I'm sure every senior will remember the scenes on Mars with "Earthling" George Dunlap; Skipper Moore as the Emperor; "Boopsa" Pearson; and the great end men, Bryant "Joe" Garner, and Tommy "Willie" Butler. Of course the Hi-Y kickline is always a big success. Coming down the aisles to "Oh, You Beautiful Doll" were the senior dancers Johanna Johnson, Sally Hayes, Betsy Dupree, Betsy Stevens, Sharon Cates, Judy Ray, Vicky Martin, Nancy Swicegood, Eleanor Quick, and their leaders Patty Cooper and Connie Pinyoun.

OUR SPRING

On April 11-12, our own fair city became the scene of the State Library Convention. The Library Club and Mrs. Vera Melton did a marvelous job planning for this occasion. Friday night was a dance at the Sir Walter Hotel with entertainment by the Hi-Y kickline, the "Classmates," Ken Barnes and his guitar, and others.

Also during April, baseball, track, golf, and tennis got underway with many talented boys participating. The baseball team had a very successful season as they were in the running for the championship.

The track team also represented the school in fine fashion as they produced a fine final record. Many boys from all three classes made it a team effort as they gave it their very best.

With a lack of experience behind them the tennis team began its building program. The following season should have a brighter future.

The golf team really was the team to watch this year as they won just about all of their regular season matches and then won the "State Championship." George Dunlap, Bobby Edgerton, E. P. Brinkly, and Stanton Tuttle should be saluted for their fine job this year.

Easter vacation arrived warm and sunny. The holidays began on Thursday and there was no school until the following Tuesday. Everyone really enjoyed this long awaited break as on Sunday morning we all decked out in our new Easter outfits—"sacks" for many of the girls and new spring suits for the boys.

On the 18th of April as we walked into our Castle Garden, we realized that this was it—our Senior Prom. We spent the evening dancing under the stars to the music of a very "casual" combo. Much too soon it was all over, and as we left, we turned to catch one last glimpse of our last dance. "Off to the beach" was the good word. Myrtle and Morehead were the two most popular beaches, and we shall never forget this wonderful week end.

On May 2 the Senior Class took over the government of the City of Raleigh—it was Student Government Day. We had previously chosen six Council members who appointed other officials. These six were: Jimmy Johnson, mayor; David Gullette, Jane Jordan, Fred Johnson, Henry Newton, and Paul Burroughs.

May was filled with many exciting things for us. With the final edition of the *Hi-Times* and our exams starting before the underclassmen's, we realized that our few remaining days in high school were quickly coming to an end. We finally finished our exams; and then came the thrill of getting our caps and gowns, being the first ones to get our LATIPACS and the excitement of baccalaureate sermon, senior picnic, class night and senior assembly.

There were so many days of fun, laughter, and even worry for us; but we loved every moment of it. Broughton had become a part of us, and we found it quite hard to turn the final page of our book . . . to our Senior Story. We hold dear to us all of the things that we have gained from being here. We know too well that we must leave, but

My Three Angels

always we will turn and look back and see her tower against the sky, a symbol of all that we've grown to love these past years.

AND OUT OF SCHOOL

In Raleigh, North Carolina, the United States, and the world there were many occurrences that affected us too. We talked about them at home, at school, at church, and as we gathered in groups for fun or for work, with no order but as they come to mind, we entered the Sputnik era. . . . The Russians were never congratulated by us, but because they beat us in the race to outer space, science and mathematics became the subjects one must be taught. Even the Congress of the United States wanted to take measures to foster work for those of us that can learn such. (We argued loud and long about Laeika, the dog that went up in Sputnik II.) In the spring there was an exodus for three days as a large number of students went to a Science Symposium at Duke, Carolina and State. So anxious were the "powers that be" for us to learn about science that our transportation and food were paid for us. Of course Alton Tripp impressed us all as being an exception student in science, but we must remember that a sophomore, Frank Zeigler, won a trip to Detroit in the State Science Fair. Many of our term papers involved high sounding subjects in science that our parents and many of our teachers did not appreciate. In mathematics, we were pounded with theorms to the extent that we did curve stitching, made geometric Christmas cards, and studied the great men that helped make this a scientific age.

Maybe not odd, but anyway, Miss Mary Cannon, a mathematics teacher, who taught many of us was chosen as the outstanding teacher in. . . . In our English classes we still read the *Tales of Chaucer* some of which were not so nice; while *Long Possessed* became one great novel to be talked about in TV and radio, and in the better book reviews. We found that we could buy a paper bound copy of *Peyton Place*, a copy of which never reached our library shelves. We were informed of the achievement of a former Broughton graduate, Reynolds Price, a Duke graduate and a Rhodes scholar. He had a short story in an English publication—his first. We are told to look for other work from his pen.

Then there were other achievements that were told to challenge—Ronnie Roy, Alton Bradford, Verne Caviness, Bill Baker, and a host of others.

Fashions became almost a national issue. Adlai Stephenson blamed it all on the Russians. He said that if the women threatened to wear the "sack dress" until peace was promised we would have peace. Nevertheless even with this threat the girls came out with their chopped up haircuts, their dresses that revived the styles of the days before the depression of the 1930's. The pointed toed shoes, the short skirts, and short dresses reminded me of pictures we had seen in the family album and were made before we were born. No longer did the girls use billfolds, but bucket bags.

The boys liked striped shirts, flattop haircuts and boxer jackets. Not as many boys wore jeans, but they liked pants of a Ivy League type.

Only a few boys here and there still tried to look like "Elvis Presley."

Our city newspaper carried on their front pages much news of the sensational type. If a teen-ager had been involved in crime, the story made the front page. If someone had committed a crime even in the far most corners of the United States, it was on the front page along with what the United Nations was trying to do about a complaint from the French concerning the Algerian question.

"Dennis the Menace" was still our favorite cartoon. Many of us read our Horoscope before we left for school each morning. Betsy Stevens and Jenny Davis had more parties than they could record in the columns, yet we felt we had it made when our names and what more when our pictures appeared.

The newspapers gave us the story of Little Rock, troops were required for them to keep school open. Carolina accepted the Negroes this year, but as yet we had none.

TV finally came to Raleigh. WRAL won over WPTF. Many of our school events were on the screen for our parents to see. Mrs. Pressly did her bit by presenting "Youth Unlimited" that told of some of the students that won our respect. We could all study better with the radio on, even if our parents didn't believe it. We had no TV Classes in our school, but we were frequently told to watch such programs as one of William Shakespeare's plays, or some of the drama even though we preferred the quiz shows or the "shoot 'em up." Another means of communication that spare us trouble was the telephone. Each of us wished for a private line. Many of our parents limited our time we could talk. Yet we looked forward to that call. It made all the difference in our ability to study for the night.

Sports, too, had our outside attention. We enjoyed seeing Milwaukee or rather Burdette beat the Yankees. We were fortunate enough to see parts of the games on TV in the auditorium during the lunch periods. State College captured our interest in football by winning the ACC crown. Basketball did not produce any Rosenbluth this year, but Duke did have its track star Dave Sime, and Arnold Palmer, a former Wake Forest student won the Masters Golf Tournament. Baseball came back to Raleigh but we were glad the name *Caps* seemed to be stolen from us.

Our favorite food out of school was pizza pie. We loved to go to Gino's, Swains, and L and M.

Asian Flu was in the news before school began, but we still never forget the way it struck NBHS and Raleigh.

Many of us were fortunate enough to get a car to drive to school. For the first year here, parking was really a problem. We could not see why one school board thought that buying Pats would help solve the problem. Yet because we did drive, many of us became acquainted first hand with the traffic court. Another thing the School Board authorized and had underway this year was a building program. A new gym and cafeteria have been started. Our classes went on over cement mixers and knock, knock, knock. Yet for future classes, we are thankful.

While we had no hurricanes this year, we did

have cold. It tried to snow several times, it was not enough. The Wake County schools closed but the Raleigh schools went on.

Richard Nixon went to South America. Some people did not seem to like him. They threw stones at him and threatened to kill him, but still Ike played golf. Our North Carolina Senator Scott died, and Mr. Jordan was appointed to the Senate, but not without some unfavorable comment. Governor Hodges was traveling in working to bring industry to North Carolina. He went from one end of the country to the other in a day while we attended seven classes, the favorite of which was lunch.

The United Church in their Institute of Religion, brought Reverend Martin Luther King to Raleigh one night. He spoke here in our school. Things went according to Hoyle in spite of warnings from some of the citizens of Raleigh. Billy Graham, a North Carolinian, was the great Evangelist of the year. His work in New York City brought him into our homes on every Saturday night and Sunday for weeks.

A thousand and one other things come to mind but we must stop this thinking and just remember:

"We are living we are dwelling
In a grand and awful time,
In an age of ages telling
To be living is sublime."

HOME OFFICE · RALEIGH

Life insurance means security, freedom. . . . Life insurance is food, clothing, shelter, education. Through life insurance, you buy future dollars for your financial protection and the safety of those who will depend on you. Your Occidental representative would like to help you plan your insurance program. See him soon!

The Tanker: "Caught ya' kissing my girl and it'll cost ya' ten dollars."
Bryant G.: "I guess ya' got me. Here's a hundred dollars."
The Tanker: "Why one hundred dollars?"
Bryant G.: "The extra ninety is for the things you didn't catch me doing."

Gordon C. is so conceited.
On his last birthday he sent a telegram of congratulations to his mother.

One to grow on...

Good health is our business. We take a deep personal pride in watching the growth and development of youngsters raised on Pine State's good, health-giving milk and dairy foods. We feel great satisfaction in the knowledge that we contribute to the growth of the community as we do to the growth of its citizens.

We're proud of the fact that we're growing, too . . . that more and more families are asking for Pine State's pure, delicious milk, ice cream and other fine dairy foods.

Randy,

I have known you all my life and I have really enjoyed every minute of it. We have had some fun together.

If it had not been for you I would not have met Phil. I loved every minute of it and if it had not been for you it would not have happen.

I know Donna Anne still likes you and I don't blame her, but I guess now there is nothing she can do.

I hope you and Frances have many wonderful time together. As good as I know you, you and Frances will have a ball.

I'm glad you have finally found somebody and I know you two will have a ball.

Well I am afraid I have given out of things to say so I wish you good luck in the future. Come to see me at Campell.

Love,
Sookie

P.S. I guess this is out of date now. I am so glad you have decided to come to Smithfield and be with the gang. We are going to have some and I mean it. Don't forget Saturday night and what we said. Glad you decided to join the gang. Good luck in Smithfield.

Love
Sookie

Randy -
Exquisite you have been a wonderful and
dear wonderful and
I'm looking forward
to the future. It takes
so long to write this - that you
probably think I don't have
anything to say - But I do! I just
don't know how to say it!
Love
Pat

Be good..

May 24, 1935

Rambo,

Here's what "all" you'll get for so lovingly telling me to write in your Latipac - and it'll have to be about some ungodly subject since I'm not supposed to mention Donna-Ann (had to sneak her in anyway.)

Ron, I'll never really be able to let you know how much your constant companionship has meant to me during the past four weeks. Perhaps if things had kept on being on a friendly basis - the two of us would not have gotten into such a "confused & mixed-up mess" - (speaking of our habit of escape with fibs!) - But I wouldn't take anything for the many things we've shared since we met - nor will I ever regret May 24 - when we started going steady.

Rambo - (and don't you dare say you've heard this from another female) - in you I have everything a gal could ever ask for in a guy - and even if you never feel differently toward me than you do now, I'll still be satisfied — because I needed you —

You know how I feel -

Yours

Frances
